

TROY IRD 2055 Print Solution

HP AUTHORIZED - TROY ENHANCED

Solution Highlights:

Complete IRD Printing Solution

Provides non image enabled financial institutions the ability to receive ICL files directly from the federal reserve and print IRDs at your facility, eliminating the delay in receipt of documents and cost associated with expensive courier fees.

All My Papers X9 Viewer Software

Enhancements to this HP Printer provide the ability to print IRDs, while maintaining HP's award-winning reliability and functionality making this a solution that can be used for other printing demands.
